

What next?

Here are four different things you could do next.

Pray

God, I know that I'm like soil in which nothing will grow.

Or soil in which all the wrong things grow.

As much as I may be a victim sometimes I know I'm far from you because I've chosen that. Forgive me please and change me.

I don't want to mock you or sideline you from my life any longer.

If you really are as great and as holy as it seems you are – I need your mercy. If you really are as kind and life giving as it seems you are – I want to know more about Jesus and how I can have this life with you that you've made me for.

Please answer me.

I'm seeking, I'm asking, I'm knocking, just like you told me to.

In Jesus name. Amen

Read (on your own or with someone else)

Why not read one of the (true) accounts of the life of Jesus (called gospels: Matthew, Mark, Luke and John)? You can do this for free by downloading a Bible app. We suggest you search for the [YouVersion app](#) in the Apple Store or Google Play store. Then download the NIV Anglicised translation and search for Mark or Luke. You can also listen to actor David Suchet, himself a Christian, read the text out.

Sometimes it's easier to read the Bible with someone else, and we'd love to do this with you. Email us (timjambrose@googlemail.com) and we'll be in touch to arrange something via phone or video call (WhatsApp or Zoom).

Explore and talk it through

Do a video based exploration of the Christian faith over three sessions. We can do that to fit in with your life (so one a night for 3 nights in a row . . . one every two weeks . . . 5am before work . . . whatever!). We'd do this over Zoom and can do it one to one or as a small group if you've got a partner or friend(s) or other family who are interested too.

Talk to someone

If you'd like to talk to someone, please give us a call on 0121 5020618.

We'd love to chat – even if it is just over the phone for the moment.
